1) Your parents just dropped you and your friends off at the movie theatre for a team/club movie night. After your parents pull away from the theatre one of your teammates/friends pulls out a joint with Marijuana in it for everyone to smoke before heading in to watch the movie. What do you do?

---

2) You have just shown up at a friend's bon fire where a bunch of your friends from school and teammates/club mates are hanging out for the night. You see your team/club captain holding a can of beer with a twelve pack by the chair he/she is sitting in and he/she offers you one. What do you do?

---

3) After practice you are gathering your backpack and other material to bring home from school. At the locker next to you, one of your teammates/club mates tells you about the new vape he/she just got and asking if you want to try it. What do you do?

---

4) It is the first week of practice and your team/club decides to go out to dinner as a group for team bonding. The captains/leaders invite everyone to come to a party after the meal. You are worried that there may be alcohol at this party. What do you do?

---

5) A teammate/club member tells you they're tired during practice because they were up late drinking at a party. What do you do?

---

6) During summer break your teammates aren't training at all so you all decide to meet up for a run at the park. After the run one of your teammates pulls out a joint and asks you if you want to try it. What do you do?
